BUILDINGS - District Court, Bellary - Construction of a separate building for the Nazarat and the Public Prosecutors.

...

A.S.

In connection with the part II schemes for 1938-39, the High Court recommended the construction of a single storeyed building, in the ground floor providing accommodation for the Nazarat establishment, a room for the Public Prosecutor and a property room, and the upper floor, providing a court hall, chamber and office room for I.C.S. officers undergoing judicial training. It was considered by the Secretary (Mr.Hood) that the court hall etc. in the upper floor might be omitted. The Public Works Department pointed out that with the omission of the upper floor, the cost of the building might be less than Rs.10,000/- and that in that case the work would be minor one the cost of which could be met from the lump provision for minor works (Judicial Department). The High Court was informed accordingly.

2. The High Court has accordingly forwarded for the administrative approval of the Government, revised plans and a revised estimate amounting to Rs.7,500/- for the construction of a separate building for the Nazarat establishment and the Public Prosecutor, Bellary, in the compound of the District Court.

3. The proposal may be agreed to in this Department and the file sent to the P.W.D. for issue of orders.
